

CENTRAL BOARD

September 27, 1967

The meeting was called to order at 7:00 p.m., in the Activities Room of the Lodge by President Loren Haarr.

PRESIDENT'S REPORT

Haarr welcomed everyone back. He reported that Sentinel pictures will be taken next week so all members (excepting females) are to wear suits and ties. He introduced Dan Vichoreh who is the Kaimin reporter. Haarr and Ben Hanson went before the Budget and Policy Committee of the Faculty Senate and were met with a fair amount of enthusiasm and no opposition. The purpose of getting student representation on the Senate is to give the students a voice in the grading system, the hiring and dismissal of professors, etc. (The policy on absences was restated: (two unexcused absences and the member will be recommended for dismissal.)

The minutes were approved as read.

VICE PRESIDENT

Moore reported that she would be meeting with Donna Berland next week to discuss a follow-up on Leadership Camp. Applications for boards and committees are at the Lodge desk. If any member needs access to the office, they will receive a key from the desk upon presentation of their key card. All boards are to be organized by next week which includes getting their members, advisors, meeting times, and making tentative plans for the quarter. The tentative plans are to be written up by the end of next week if they cannot be remembered.

ADMINISTRATIVE RELATIONS

Johnson reported that the women's hours have been taken care of.

BUDGET AND FINANCE

Van Heuvelen set Tuesday at 4:00 p.m., as the permanent meeting time of the Budget and Finance Committee. VAN HEUVELEN MOVED THAT \$111.70 BE APPROPRIATED TO ENABLE THE FOUR ASUM OFFICERS TO ATTEND THE MANSFIELD ENDOWMENT DINNER IN HELENA ON OCTOBER 14. SECONDED BY BRIGGS. This money is used to bring in guest lecturers. The dinner is \$25 per plate and the remaining money is for travelling expenses. Haarr turned the gavel over to Van Heuvelen. He believed that it was a necessity for ASUM to be there because the money goes into a central fund to bring a series of visiting lecturers to the campus. Briggs said he attended the dinner in Washington, D. C., and that it was a tremendous opportunity. MOTION PASSED UNANIMOUSLY.

ACADEMIC AFFAIRS

Fletcher reported that research has been started informally.

ELECTIONS

Brown reported the election primary for freshman delegates has been tentatively set for Friday, October 13, and the general for Friday, October 20. The Homecoming election may be at the same time as the general which hopefully will draw more people. He is trying to make arrangements for the candidates to speak at Jesse Hall on its closed night. This may also be done at Craig and Duniway, but it is hard to arrange a time when very many would attend.

FIELDHOUSE AND PHYSICAL PLANT

Briggs said he was working on an appropriate time to hold meetings.

TRADITIONS

Wheeler reported a meeting Thursday. Preparations for Homecoming are being taken care of. A pep rally is planned for the SOS on Tuesday, a bonfire on Friday, and the parade on Saturday. A pep rally is also being planned for the upcoming game.

MISSOULA AFFAIRS

Moore reported that Dailey is getting married on Friday; and that if anyone knows someone who is interested, have them turn in an application.

PLANNING BOARD

Anderson reported that board meetings would be held on Wednesdays at 4:00 p.m.

PROGRAM COUNCIL

Grauman reported that during Orientation Week the council brought in a speaker, films, and a concert. This will not be done again next year because they were not well enough attended. "Project America '67" will be a week of activities from October 1 through the 7. The program includes the New Lost City Ramblers, an informal concert; William Grand, who will display photography; Andy Warhol, a pop artist; Dick Gregory, comedian; a Young Writers' Forum; and a marathon of foreign films. A plug for the football games is being put in with the advertising. Some trouble was run into in selling season tickets for the concerts, but quite a few were sold.

PUBLICATIONS

Eggensperger reported that no applications had been received for "Kaimin" and Sentinel associate editors. Dave Foy, editor of the "Garret", and Judy Syverson, editor of The Book, both resigned. Meetings of the board will be held Tuesdays at 4:00 p.m. The Sentinel will be out in mid-October.

STUDENT SERVICES

Hudson said he will get a UM pennant to send to the USO dance in California. He also will get a committee to distribute the Gift-Pax.

FINE ARTS

Selway reported that there would be no all-school productions. Presentations will be done by the Montana Repertory Theater. There will be three shows all year, and they will tour with them in the spring.

NEW BUSINESS

Anderson reported that we now fall under the Fair Labor Standards Act; because of "Kaimin" and the Sentinel are inter-state products, the minimum wage law goes into effect on their staffs. This means we need \$10,000 to \$12,000 more to pay the staffs. At present the "Kaimin" staff receives from \$20 to \$90 per month. We will try to qualify for exemption either by writing Salt Lake City and hoping they see our predicament or by hiring a lawyer and hoping he can get us out of it. According to Gardner Cromwell, a professor at the law school, we are exempt if publication does not exceed 4000 copies, and we cancel all out-of-state subscriptions. This poses a problem of sending the Sentinel to out-of-state seniors.

Moore, speaking for the Associated Students, is proud of our football team. The one dollar increase paid off.

Libecap believed that a committee should look into the fact that the bookstore is closing at 11:45 a.m. instead of 12:00 noon and 4:45 p.m. instead of 5:00 p.m. Since the bookstore is to serve the students, he believed it should remain open until the appropriate closing times.

Anderson said he would set up a committee to make plans for a train to Bozeman for the Bobcat-Grizzly game. It may be difficult to find a committee because no one wants to pay for a wrecked train.

Hudson reported the Physical Plant wanted \$300 for making a sign to announce elections. The idea was met with disapproval.
